

The **California Coastal Commission**, the **Department of Boating and Waterways** and **Contra Costa County Public Works** in partnership with **San Joaquin County Department of Public Works**, the **City of Stockton** and **The US Coast Guard Auxiliary** and the **Oxbow Yacht Club**

PRESENT:

## DOCKWALKER TRAINING

- Teach environmentally sound boating practices
- Coordinate efforts with marina and boat launch ramp operators
- Obtain educational materials to distribute to boaters

This **FREE** workshop trains boaters, recreators, Auxiliarists, Power Squadrons members, and other volunteers to talk to boaters about environmentally sound boating. Participants in the training will be considered "Dockwalkers."

Dockwalkers conduct face-to-face boater education and distribute boater kits with educational materials while visiting marinas, boat launch ramps, boat shows and special events. The training provides an overview of environmentally sound boating practices, information about how to conduct Dockwalking, educational materials for Dockwalkers to distribute, a video about clean boating in California, and baseball hats to identify Dockwalkers.

*We document community service hours.*
